

Quality Construction:

Laser-cut hinges, strong and elegant door pulls, quality stainless steel interior and exterior construction – allows the consumer to experience commercial durability in a home appliance product.

Energy Efficiency:

Energy Star Rating on many models, Variable Speed Compressor, 2” thick insulation layer, and extra-wide magnetic gasket – makes Perlick top rated for energy efficiency.

A Product for Every Application and Need:

- Full Line of 15” Wide Products
- Full Line of 24” Wide Products
- Exclusive 48” Wide Products
- Full Line of ADA Compliant Products
- Full Line of 18” Depth Products (Sottile Series)
- Full Line of Outdoor Rated Products: Refrigerators, Beverage Centers, Freezers, Wine Reserves, Beer Dispensers, Dual Zone and Clear Ice Makers

Thank you for considering a genuine Perlick product for your home.

Features and Benefits

Commercial History and Heritage:

Since its founding in 1917, Perlick has become the premier supplier of Bar/Beverage Dispensing Equipment in the United States - More than 60% of professional sports stadiums in the US use Perlick Commercial products.

Industry's Best Warranty:

Perlick units come with an industry leading three year warranty on all components and a six year warranty on the sealed refrigeration system.

Commercial Grade 304 Stainless Steel Interior:

All 304 stainless steel interior provides an attractive, sanitary and easy to clean advantage over plastic used by many brands..

Variable Speed Compressor in the Signature Series:

Variable Speed Compressor on 24” and 48” units provides a temperature draw-down that cools up to twice as fast as other brands (995-1,985 BTU).

Dual-Zone Refrigeration:

Perlick’s full line of dual-zone refrigeration boasts two independently controlled temperature zones, powered by Perlick RapidCool forced air refrigeration for exceptional cooling performance. Indoor and outdoor Freezer/Fridge, Fridge/Wine and Wine/Wine models available.

Signature & Sottile Series

C-Series

Outdoor Products

ADA-Compliant Series

Zero-clearance hinging allows for abutment with cabinetry.

Pictured: 24" Dual Zone Wine Reserve

Best-In-Class variable speed compressor (995-1985 BTU) in every 24" and 48" model. Best-In-Class 525 BTU commercial grade compressor is included in the 15" units.

Best-In-Class 525 BTU whisper-quiet commercial grade compressor

Pictured: 24" C-Series Beverage Center

Front-vented, RAPIDcool forced-air refrigeration system for faster cool down than others in the industry.

Door locks available to prevent unwanted access

Pictured: 24" Dual Zone Refrigerator/Freezer Drawers and Dual Zone Wine Reserve

Available in both C-Series and Signature Series product categories.

ADA 32" height with leveling legs

Pictured: 24" ADA-Compliant Beverage Center

Zero-clearance hinging allows for abutment with surrounding cabinetry

Signature Series Features:

- Front-vented, RAPIDcool forced-air refrigeration system for faster cool down than others in the industry
- Designed with fully-integrated depth to allow a flush fit to cabinetry
- LED lights that can be switched from crisp white to cool blue.

Sottile (18" Depth) Series Features:

- The Perlick Sottile Series units have the same features as the ADA-Compliant Series, but measure an industry exclusive 18" depth for design flexibility
- 525 BTU commercial-grade compressor
- Front-vented, RAPIDcool forced-air refrigeration system
- LED lights can be changed from crisp white to cool blue.
- Ideal for breakfast bars, built-in bookshelves or cabinetry, kitchen islands, dining room buffets and wet bars.

C-Series Features:

- Industry exclusive full-integrated depth to allow a flush fit to cabinetry.
- Zero-clearance hinging allows for abutment with cabinetry.
- Door locks available to prevent unwanted access.

Outdoor Products Features:

- Front-vented, RAPIDcool forced-air refrigeration system for much faster cool down than others in the industry.
- UL rated for indoor/outdoor use
- Glass doors offer full UV protection
- Largest outdoor undercounter offering

ADA-Compliant Series Features:

- 32" height with leveling legs
- Designed for maximum capacity while adhering to strict 34" counter height ADA-Compliant requirements
- Available models include freezer, refrigerator, beverage center and wine reserves.
- Full extension pull out shelves and drawers for ease of use

All models are available with choice of stainless steel or fully integrated overlay. Fully integrated overlay models come ready to accept custom panel to match surrounding cabinetry or finishes.
