Innovation In The Air

Founded in 1981, Falmec has evolved from a small manufacturing company to a leading force both in the national and international market, gaining extensive experience in the design and production of ventilation hoods.

Cutting-edge research, flexibility in production, development of new technologies and original creativity provide the Falmec collection with strong added value in innovation, and a totally unique blend of design and cutting edge technology, reaching the highest level of Italian excellence in the world.

All Falmec creations are the result of a complex, multi-phase process that is entirely designed, planned and produced in Vittorio Veneto, located in Northeast Italy.

Made In Italy

From initial design to finished product, all of Falmec's creations are achieved through a multi-step process that is run entirely onsite at the company headquarters, located near Venice. Falmec's products offer an absolute guarantee of quality in the design, the materials and the construction, in the best Italian manufacturing tradition.

FALMEC
SINCE 1981

MADE
IN ITALY

Quality

Each Falmec product is the result of careful research, meticulous testing and extreme precision in their construction. Falmec's facilities rely on state of the art technology and are equipped with numerous robotic lines that enable them to meet top quality standards.

falmec

Technology & Quality

Innovation. Performance. Energy Efficiency. Ease of Installation. Design

These are the key concepts of all Falmec projects. They are the outcome of ongoing research that considers aesthetics, materials and technologies as a single set in order to achieve the perfect synergy.

Falmec's products satisfy every sense: smell, for the effectiveness of air movement; sight and touch, thanks to the refined design and the quality of materials; hearing, for their extremely silent performance.

Select Steel

Stainless Steel AISI 304

Falmec selects and uses AISI 304 stainless steel, with an alloy containing 18% chromium and 8% nickel. Hygienic, easy to clean, highly resistant to corrosion, as demonstrated by salt spray tests, AISI 304 is by far the best material for the production of ventilation hoods.

PINNACLE EXPRESS

2018 Retail Price Book | Pinnacle Express, Inc.

Finally, a hood that is extremely quiet.
With their innovative NRS® technology, Falmec has created a
product that combines superior performance and super quiet operation.
Significant effort has gone into making this product
one of the quietest hoods in the market

THE DIFFERENCE IS NOT FELT, BUT EXPERIENCED

A system developed by Falmec in collaboration with laboratories specializing in the study of fluid dynamics, NRS® (Noise Reduction System) has enabled us to create a collection of incredibly quiet ventilation hoods that effectively enhance the quality of life in the kitchen. NRS® technology allows you to cook, work, talk and listen to music without hearing the typical noise of ventilation hoods, while benefiting from the best air suction performance.

HIGH PERFORMANCE FILTER

The NRS® system guarantees the best results through the extraction of cooking fumes, and it can also be used in the filter version, with a high-performance, long-lasting and reusable carbon filter.

BETTER QUALITY OF LIFE, WITHOUT NOISE DISTURBANCE

The dynamics of the airflow being drawn through the hood was studied using innovative computer software; this allowed Falmec to develop this system so that airflow is optimized, eliminating any resistance, which is the principle cause of noise during the extraction process. Falmec invested time and resources in the development of new materials that would be best suited for this particular application due to their sound absorbing qualities. These materials have been designed to contain any noise produced by the movement of air, further increasing the reductions in noise already achieved by the optimization of air flow.
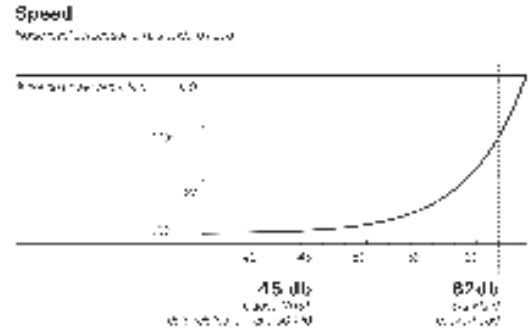

UP TO 86% LESS NOISE

Thanks to the study of air flow and to the materials used, NRS® ventilation hoods reduce noise to a whisper-like quiet level. The NRS® system guarantees extraction of cooking fumes, and NRS® hoods also provide superior sound performance when using a recirculation filter, or our long lasting regenerating carbon filter.
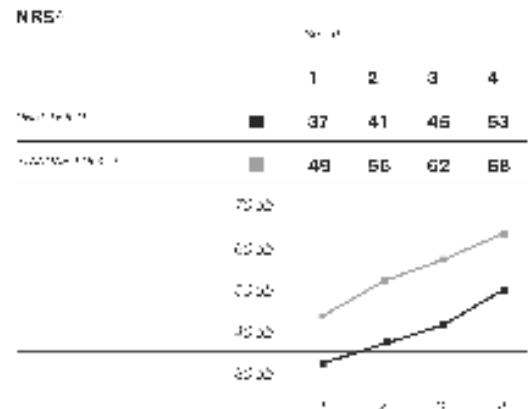

UNIMAGINABLE SILENCE

Compared to today's standard hoods, the noise level has been reduced dramatically. The benefit in the kitchen is extraordinary. The 'perception' of noise follows a logarithmic scale: each decrease of 1dB corresponds to a reduction in the perceived noise level of about 20%. In other words, for every decrease of 3db perceived noise is halved.

Absolutely no fingerprints.
With Fasteel fingerprint-proof steel, the hood
stays beautiful and shiny thanks to the innovative
"No Finger-Print technology". This is a special finish that
prevents the appearance of halos and fingerprints on the
surface, thus making cleaning a breeze.

FALMEC LIMITED WARRANTY

TWO YEARS LIMITED WARRANTY

TO OBTAIN SERVICE UNDER WARRANTY
Owner must present proof of original purchase date. Please keep a copy of your dated proof of purchase (sales slip) in order to obtain service under warranty.

PARTS AND SERVICE WARRANTY

Far the period of two (2) years from the date of the original purchase, Falmec will provide free of charge, non consumable parts or components that failed due to manufacturing defects. During this two (2) years limited warranty, Falmec will also previde free of charge, all labor and in-home service to replace any defective parts.

WHAT IS NOT COVERED

 • An extraordinary event neither foreseeable nor preventable by the parties with reasonable care, including, but not limited to: catastrophe, war, expropriation of equipment or installation, sabotage, fire, flood, tornado, hurricane, earthquake.
Damage to or failure of the product:

 • Caused by modification of the product or use of non-genuine parts.

 • Caused during delivery, handling or installation.

 • Caused by operator abuse / misuse.

 • Caused by dwelling fuse replacement or resetting of circuit breakers.

 • Caused by use of product in a commercial / industrial application.

 • Service trips to dwelling to provide use or installation guidance.

 • Light bulbs, metal or carbon filters and any other consumable part.

 • Normal wear of finish.

 • Wear to finish due to operator abuse, improper maintenance, use of corrosive or abrasive cleaning products/pads and oven cleaner products.

WHO IS COVERED

This warranty is extended to the original purchaser for products purchased for ordinary residential use in United States, Guam, Puerto Rico, US Virgin lslands).

This warranty is non-transferable and applies only to the original purchaser and does not extend to subsequent owners f the product. This warranty is made expressly in lieu of all other warranties, expressed or implied, including, but not limited to any implied warranty of merchantability or fitness for a particular purpose and all other obligations on the part of Falmec North America, provided, however, that if the disclaimer of implied warranties is ineffective under applicable law, the duration of any implied warranty arising by operation of law shall be limited to two (2) years from the date of original purchase at retail or such longer period as may be required by applicable law.

This warranty does not cover any special, incidental and/or consequential damages, nor loss of profits, suffered by the original purchaser, its customers and/ or the users of the Products.

WHO TO CONTACT

For proof of warranty, please retain the original purchase invoice and the delivery slip.

To obtain service under this warranty you must:

1. Contact Falmec Authorized Service In the United States by email at **falmec@adcoservice.com** or by toll free number at **1-877-8FALMEC (1-877-832-5632)**

2. Provide a copy of your original sales receipt along with model number and serial number information for the product.

3. Provide Falmec reasonable opportunity to investigate the claim before the Product or any component of the Product has been modified or removed.

TERMS AND CONDITIONS

Orders: All orders and any subsequent change orders must be submitted in writing and delivered to Pinnacle Express, Inc. by mail, fax or e-mail. No telephone orders will be accepted. Special Order items are Non-Cancellable.

Prices: All prices are subject to change without notice and are exclusive of any sales or use taxes, shipping, delivery, special packaging, or handling charges that may apply to each customer or to each order.

Minimum Advertised Pricing: All sales are subject to Pinnacle Express, Inc. or Manufacturer minimum advertised prices. Failure to comply with minimum advertised prices will result in cancellation of any agreement and violators will not be entitled to purchase further products.

Minimum Sale Price: All sales are subject to Pinnacle Express, Inc. or Manufacturer minimum sale prices. Failure to comply with minimum sale prices will result in cancellation of any agreement and violators will not be entitled to purchase further products.

Freight and Handling: Pinnacle Express, Inc. reserves the right to ship products by its choice of carrier. All shipments are F.O.B. from place of shipment, and risk of loss shall pass to the Buyer upon delivery to the carrier at the point of shipment. Additional charges may apply for special handling and packaging.

Deliveries: Pinnacle Express, Inc. shall not be liable for failure to deliver or for delays in delivery or performance due to: (1) causes beyond its reasonable control; (2) acts of God, acts of Buyer, acts of civil or military authority, governmental allocations or controls, fires, strikes or other labor difficulties, riots or other civil disturbances, delays in its usual source of supply, delays in transportation; (3) any other commercial impracticability. In the event of such delay, the date of delivery or performance shall be extended for a period equal to the time lost by reason of the delay.

Claims: All claims for non-conforming delivery of Products must be made within fifteen (15) days of receipt of shipment.

Damage or Loss: Any claim for damage or loss in shipment should be made to the carrier immediately by the customer. Products become the responsibility of the Buyer when accepted by the carrier in good condition from Pinnacle Express, Inc. and we are not able to process shipping damage claims.

Returns: Only Items marked in this Price List as "Stock Item" are subject to return. All other items are considered Special Order Items and are NOT RETURNABLE. No Products may be returned without a Pinnacle Express, Inc. Return Goods Authorization (RGA) Number issued prior to the return of Product. Any product returned without an RGA will be refused and returned to the sender. RGA's are valid for thirty (30) days only. All returns are subject to inspection before being approved for credit – products must be in salable condition to be considered for return or replacement. A 20% restocking charge will apply to all returns.

Payment: Unless otherwise noted, payment terms are Net Due on Receipt. Balances owed on invoices over 30 days old are subject to a 1.5% per month charge. Each shipment or delivery shall be deemed to have been sold under a separate and or independent contract and payment thereof shall be made in accordance with the terms of this agreement and of the invoice rendered by Pinnacle Express, Inc. Buyer agrees that title to the personal property described herein shall not vest in Buyer until paid in full. In the event of insolvency or the filing of bankruptcy by the Buyer, Buyer agrees to return all merchandise to Pinnacle Express, Inc.

Warranties: Products distributed by Pinnacle Express, Inc. are the products of reputable manufacturers sold under their respective brand or trade names. Pinnacle Express, Inc. shall use its best efforts to obtain from each manufacturer, in accordance with the manufacturer's warranty or customary practice, the repair or replacement of products that may prove defective in material or workmanship. The foregoing shall constitute the exclusive remedy of the Buyer and the sole obligation of Pinnacle Express, Inc. Except as to Title, THERE ARE NO WARRANTIES, EITHER WRITTEN, ORAL, IMPLIED, OR STATUTORY relating to the described products which shall extend beyond that described in this paragraph. NO WARRANTY OF MERCHANTABILITY OR OF FITNESS FOR PURPOSE SHALL APPLY.

Limitation of Liability: Pinnacle Express, Inc.'s liability on any claims for loss or damage arising out of this contract or from the performance or breach thereof or connected with the supplying of products hereunder, or its sale, resale, operation or use, whether based on warranty, contract, negligence or other grounds shall not exceed the price allowable for such products or parts thereof involved in the claim. Pinnacle Express, Inc. shall not, under any circumstances, be liable for any labor charges unless agreed upon in advance and in writing by Pinnacle Express, Inc. and the manufacturer of the products involved. Pinnacle Express, Inc. shall not in any event be liable for special or consequential damages, including, but not limited to, loss of profits or revenue, loss of use of the product or any associated product, cost of capital, cost of substitute products, facilities or services, downtime costs, or claims of customers of the Buyer for such damages.

General: The possession of this Price List by anyone is not to be considered as an offer to sell any of the Products contained herein. This Price List supersedes all previous price lists or memorandums. Pinnacle Express, Inc.'s existing Trade Terms and Conditions remain in effect. The above Terms and Conditions shall be a part of all Orders accepted by Pinnacle Express, Inc. and shall supersede any conflicting provisions of our customer's purchase orders. These terms and conditions are subject to change without notice.
