

PERRIN & ROWE[®]
MAYFAIR LONDON

2021 PRICE BOOK

MADE TO A HIGHER STANDARD

Like the finest jewelry, Perrin & Rowe® faucets have an exacting sense of proportion, grace, and elegance. It shows in the richness of hand-polished finishes, the touch of a handle, the nuances that may not be readily apparent to the eye but together create flawless artistry. We believe the best way to create the best is to bring together the foremost in innovation with the height of British craftsmanship. By engineering with precision, adapting time-tested techniques, and focusing on the finest detail, we make faucets that define perfection. Crafted in England, Perrin & Rowe is never mass-produced. Instead, we take a small batch, bespoke approach that includes hand-molding and hand-polishing and ends with a white-glove inspection under a magnifying glass. This stringent criteria for excellence is coupled with designs depicting the essence of sophistication. Our unique aesthetic juxtaposes the present and the past, bringing together the best of yesterday and today for contemporary reinterpretations and novel styles that fit any décor. Made in Britain, and made to last, with quality and integrity.

ARMSTRONG™

The strong, streamlined design of the Armstrong™ Kitchen Collection is inspired by George and Joseph Armstrong, railway engineers whose innovations made an impact during the Industrial Revolution. The Armstrong marries a modern aesthetic with subtle references to its origins. Handles designed like industrial levers have crosshatch nuances. Ring detailing and bolt-like shapes mirror industrial hardware. The Armstrong brings a sense of dynamic precision to a design of minimalist beauty to complement any kitchen décor.

EDWARDIAN™

The Edwardian era of the early 1900s was the start of the modern age, when design looked both forward and back. It combined a spirit of optimism with classical style and Neo-Baroque detail. The Edwardian™ Kitchen Collection follows this look with a tall faucet column and a distinctive curved, question-mark neck. Rounded shapes and ring detailing on the base, neck, and spout add dimension and personality. In the Edwardian age people loved to show off their homes, and this Collection most definitely makes a style statement meant to be shown off.

GEORGIAN ERA™

The Georgian period was a time of gentility and decorum, when design looked to classic Greek and Roman architecture for inspiration. The Georgian Era™ Kitchen Collection carries on this tradition of perfected proportion. A tall column that flows into the high arc of the neck is balanced by a subtle fluted tip and ring details around the base and spout. This Neoclassical style has resonance for today as its symmetry, simplicity, and aristocratic understatement complement all décors.

HOLBORN™

Holborn may be one of the oldest districts of London, but it's constantly reinventing itself. Now it boasts some of the more celebrated modern structures in the city. The Holborn™ Kitchen Collection takes after London's innovative, of-the-moment architecture. Clean and sleek, virtually devoid of ornamentation, the Holborn's long neck and curved arc express movement and flow. While it's definitively a minimalist form, the timeless purity of its silhouette makes a bold statement.

DECO™

The Art Deco design movement of the 1920s and 30s made geometry glamorous. Triangular forms and sharp angles were portrayed with the shine and facets of diamonds. The Deco™ Bath Collection follows suit. Inspired by London's grandest Deco structures, like the Savoy Hotel, the Collection brings panache and polish to the bath. Handles and spout form octagonal shapes designed to gleam with sophistication. Refined details add to the sense of splendor. The Deco Collection captures a moment in time to bring luxury to bathrooms of today.

EDWARDIAN™

It wasn't until the Edwardian age that indoor plumbing became common, putting an emphasis on bathroom design, especially fixtures. Faucet styles took after Neo-Baroque architecture, a cross between simplicity and grandeur, classic silhouettes with pronounced details, and a touch of whimsy. The Edwardian™ Collection makes a similar statement with a combination of columns, curves, and rounded shapes. Refined ring detailing graces the base, handles, neck and spout. The Collection captures the ebullient spirit of the age in styles perfect for today.

GEORGIAN ERA™

The Georgian Era™ Bath Collection is influenced by the 18th Century English design that echoed ancient Greek and Roman architecture. A hallmark of the style is purity of form and restraint versus ornamentation. The shapes and subtlety of classic columns and arches repeat in the lines and curves of the Collection. Stylistic touches like ring details around the base, neck, and spout display understated elegance. The Collection is a perfect example of English refinement reinterpreted for today's varied décors.

HOLBORN™

The district of Holborn has some of the oldest and newest styles of architecture in London. Integrating modern structures with Tudor and Baroque styles for a natural flow requires an eye for reinvention. The Holborn™ Bath Collection does just that, creating a new, sleek contemporary form. A pure, minimalist shape with a timeless quality, its clean curves and lines have a dynamic sense of motion. Lacking ornamentation, it stands out with sleek simplicity, which makes the distinctly modern Holborn feel at home everywhere.

HOXTON™

The London area of Hoxton dates back centuries but has more recently become one of the most sought-after locations in the city. Known for artists, galleries, and stylish flair, Hoxton is a vibrant area, and where the Hoxton™ Bath Collection gets its edge. A model of minimalism, the Hoxton exhibits long clean lines and straight shapes. The spout and handle together create a geometry of parallel forms and right angles, giving the Hoxton a bold personality. This is one Collection that showcases the best in contemporary design.

ROUGH-IN VALVES

Shower design has evolved dramatically in the last 25 years. Originally created for purely functional reasons, modern showers have become much more than that. The rough-in valve is at the heart of any shower system to support the configuration that your customer desires. Whether it be a basic shower, a simple spa or a dream spa package, Perrin & Rowe has a valve to support it. Made with the best materials and supporting flow rates from 5 GPM to 16 GPM, these valves are offered with trims that match the faucet collection of your choice.

BATH FIXTURES

Perrin & Rowe® bath fixtures are handcrafted in the region of Stoke-on-Trent, which is famous for producing such notable tableware as Spode, Wedgwood, Royal Doulton, and Royal Worcester. The Perrin & Rowe® Bath Fixtures Collection shimmers with the same iridescent quality that English bone china is known for worldwide.

HOW TO CARE FOR AND MAINTAIN FINISHES

Do not use harsh chemicals or household cleaners with harsh chemicals or abrasives.

The finishing touch of every faucet is its exquisite surface. Each finish conveys the experience of authentic luxury through a distinctively soft, warm, genuine feel in comparison to other products made with synthetic coatings.

Maintaining Your Finish

No matter which finish you select, here are a few simple steps to keep your kitchen and bath fixtures looking beautiful for years:

Polished
Chrome

Polished
Nickel

POLISHED CHROME and POLISHED NICKEL (Limited warranty)

Cleaning: Pat dry after use to avoid hard water spots. Clean using liquid soap and water or a 50/50 solution of water and white vinegar. Do not soak the fixture in the vinegar solution or allow the vinegar solution to soak on the finish.

Maintaining: Polish by applying Simichrome Polishing paste and then buff out with a clean soft cloth. Protect by applying Flitz Polish or Bruno's Faucet Wax.

Satin
Nickel

SATIN NICKEL (Limited warranty)

Cleaning: Pat dry after use to avoid hard water spots. Clean using liquid soap and water or a 50/50 solution of water and white vinegar. Do not soak the fixture in the vinegar solution or allow the vinegar solution to soak on the finish.

Maintaining: Polish by applying Gagnon's SX. Remove black or white spots, mineral deposits and tarnish marks by lightly brushing the finish using a green Scotch Brite™ pad and water. Protect using Flitz Wax or Bruno's Faucet Wax. Brush in the same direction as in faucet.

English
Gold

ENGLISH GOLD

(5-year limited warranty)

Cleaning: Pat dry after use to avoid hard water spots. Clean using liquid soap and water or a 50/50 solution of water and white vinegar. Do not soak the fixture in the vinegar solution or allow the vinegar solution to soak on the finish. Do not rub or buff.

English
Bronze

ENGLISH BRONZE

(Limited warranty)

Cleaning: Pat dry after use to avoid hard water spots. Clean using liquid soap and water or a 50/50 solution of water and white vinegar. Do not soak the fixture in the vinegar solution or allow the vinegar solution to soak on the finish.

Maintaining: Protect using Flitz Wax or Bruno's Faucet Wax. Apply by patting on and patting off. Do not rub or buff.

Satin English
Gold

Unlacquered
Brass

SATIN ENGLISH GOLD and UNLACQUERED BRASS

(5-year limited warranty on Satin English Gold, no warranty on Unlacquered Brass)

Cleaning: Pat dry after use to avoid hard water spots. Clean using liquid soap and water or a 50/50 solution of water and white vinegar. Do not soak the fixture in the vinegar solution or allow the vinegar solution to soak on the finish.

Maintaining: Protect by using Flitz Wax or Bruno's Faucet Wax. Apply by patting on and patting off. Do not rub or buff.

OUTSIDE USE

Our products may be used outside. However, we do not offer a warranty. Use these tips for a successful installation. Polished Chrome is the most durable finish and is the best finish for outside installations. Pat dry after use to avoid hard water spots. If minerals or salt are accumulating on the fixture, clean by applying a 50/50 solution of water and white vinegar, then pat dry. Do not soak the fixture in the vinegar solution or allow the vinegar solution to soak on the finish. Spray weekly with fresh water, wipe dry and apply Flitz Wax or Bruno's Faucet Wax to avoid hard water spotting. In freezing temperatures, winterize fixtures by removing cartridges, drain all water or store fixtures indoors.

Drop Ship Fee Buy Line must be on the Original Purchase Order for the order to be processed, phone number for delivery set up required.

PAYMENT TERMS:

All orders are due in 30 days from date of invoice unless agreed upon in writing by an officer of ROHL LLC.

RETURNS:

Products may not be returned for credit or replacement without prior inspection and written authorization from ROHL LLC. There will be a charge of 25%* to cover handling and restocking for all authorized returns. Only merchandise currently appearing in our price list, which is in resalable condition, will be considered by ROHL LLC for return or replacement. Customer dissatisfaction is not a reason for return.

English Bronze, Old Iron, Tuscan Brass, Italian Brass, English Gold, Unlacquered Brass, French Brass, Satin Gold, Parchment and Pergame have acceptable variations that are normal and enhance the custom nature of each finish. Variation is not a reason for return.

LABOR:

No labor charges of any kind will be allowed.

CLAIMS:

All claims of lost, damaged or incorrectly shipped materials must be made to ROHL LLC within 10 days after receipt of goods. Any claims outside this time may be rejected by ROHL LLC. Service and replacement parts may be subject to a \$25 processing fee.

SHIPPING DAMAGE OR LOSS:

Delivery to the carrier constitutes delivery to customer. Any claim for loss or damage in transit should be made promptly by the customer to the carrier. Our responsibility ceases when the goods are delivered in good condition to the carrier.

PRODUCT CHANGES:

We reserve the right to discontinue, alter, modify, or redesign products without liability for the obsolescence of customers' inventories.

SPECIAL ORDERS:

All special order products are non-returnable and non-cancelable once the customer order is received by ROHL LLC. These orders may have a longer lead time than standard ROHL LLC products.

GENERAL:

The possession of this price list by anyone will not be accepted by ROHL LLC as an obligation or offer to sell any goods listed herein. All prices herein quoted supersede all prior price lists and bulletins. Existing trade terms continue in effect.

No order, contract or agreement will become an obligation until accepted in writing by ROHL LLC.

ROHL LLC does not have field service technicians. We are a sales and marketing company only. Sales Representatives do not perform in-home service.

Product that is handmade and is within tolerance of published dimensions will not be considered for return.

Shaws sinks continue to be handmade since the 1897 original design. Each sink is designed with a slight pitch to the drain, so standing water is normal. Standing water is not a reason for return.

* For details, please refer to the House of Rohl Freight Program

These Terms and Conditions shall be deemed to be a part of all such acceptance by ROHL LLC and shall supersede any conflicting provisions of customer's purchase order. These Terms and Conditions, any sales hereunder, and any claim, dispute, or controversy between the parties arising from or relating to these Terms and Conditions, their interpretation, or the breach, termination, or validity thereof, will be governed by and construed in accordance within the laws of the United States, without regard to conflict-of-laws rule. The parties hereby agree that the United Nations Convention on Contracts for the International Sale of Goods will not apply to these Terms and Conditions and to the purchase and sale of products hereunder and any statute which would otherwise apply which implements such convention is expressly excluded.

Other than any express limited warranty granted by ROHL LLC with respect to a product, ROHL LLC disclaims all warranties and conditions, expressed or implied, statutory or otherwise, with respect to the products, including, without limitation, any implied warranty of quality, merchantability or fitness for a particular purpose, as well as warranties arising from course of dealing and usage of trade, and ROHL LLC does not represent or warrant that any product will meet the customer's requirements. Customer may not use the ROHL LLC name or any ROHL LLC trademark, trade name, service mark, logo, or copyrighted work for any purpose. The sale of products by ROHL LLC does not constitute a license, implied or otherwise, for the use of any patents or know-how of others, nor does it constitute a license, implied or otherwise, on patents or know-how of ROHL LLC.

ROHL LLC WILL NOT BE LIABLE FOR ANY LOSS, DAMAGE OR INJURY RESULTING FROM DELAY IN DELIVERY OF THE PRODUCTS OR FOR ANY FAILURE TO PERFORM DUE TO CIRCUMSTANCES BEYOND OUR CONTROL OR THE CONTROL OF OUR SUPPLIERS, INCLUDING WITHOUT LIMITATION FAILURE OR DELAY IN TRANSPORTATION, ACTS OF ANY GOVERNMENT OR ANY AGENCY OR SUBDIVISION THEREOF, JUDICIAL ACTION, LABOUR DISPUTES, FIRE, ACCIDENT, ACTS OF NATURE, SHORTAGE OF LABOUR, FUEL OR RAW MATERIAL, OR MACHINERY OR TECHNICAL FAILURE. ROHL LLC'S MAXIMUM LIABILITY, IF ANY, FOR ALL DAMAGES, INCLUDING WITHOUT LIMITATION CONTRACT DAMAGES AND DAMAGES FOR INJURIES TO PERSONS OR PROPERTY, WHETHER ARISING FROM OUR BREACH OF THESE TERMS, BREACH OF WARRANTY, NEGLIGENCE, STRICT LIABILITY OR OTHER TORT WITH RESPECT TO THE PRODUCTS, IS LIMITED TO AN AMOUNT NOT TO EXCEED THE THEN-CURRENT WHOLESALE PRICE OF THE PRODUCTS. IN NO EVENT WILL ROHL LLC BE LIABLE TO CUSTOMER FOR ANY INCIDENTAL, CONSEQUENTIAL OR SPECIAL DAMAGES, INCLUDING WITHOUT LIMITATION LOST REVENUES AND PROFITS, EVEN IF WE HAVE BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

LIMITED WARRANTY

Most products or parts carry “Limited Warranties” against manufacturing defects as defined below.

Soap Dispensers	Limited Lifetime Warranty	Sanitary Ware/Bath Fixtures	1-year Limited Warranty
Air Gaps, Coverplates, Sink Hole Covers, Air Switches	2-year Limited Warranty	Shower	2-year Limited Warranty
Kitchen and Bath	Limited Lifetime Warranty	Decorative Shower Drains	1-year Limited Warranty, No warranty on finish
Hot Water Dispensers	5-year Limited Warranty on faucet, 3-year Limited Warranty on tank		

**WE OFFER A FIVE-YEAR LIMITED WARRANTY ON THE FOLLOWING FINISHES ONLY:
ENGLISH GOLD AND SATIN ENGLISH GOLD**

**WE DO NOT OFFER AN EXPRESS WARRANTY ON THE FOLLOWING FINISHES FOR ANY OF ITS PRODUCTS:
UNLACQUERED BRASS, SATIN UNLACQUERED BRASS OR SPECIAL ORDER FINISHES**

ROHL’s Promise — A “Limited Warranty” means ROHL LLC will provide free of charge, at its option, replacement part(s) or product (or a comparable alternative product) to replace those which have proven defective in materials or workmanship within the warranty period on that product or part as stated above.

ROHL LLC will not assume liability for labor expended, freight cost or damages accruing from the use of the material purchased from us. If material is defective, the limit of damage is the price of the defective material. Proof of purchase (original sales receipt) from the original consumer purchaser must be made available to ROHL LLC for all warranty claims. The warranty is not transferable and is extended solely to the original purchaser of the product, so long as the product remains in its original installation.

Warranty Exclusions and Disclaimers — This warranty is for normal domestic use only and excludes defect or injury caused by or resulting from misuse, abuse, neglect, accidental damage or improper installation.

IN NO EVENT WILL ROHL BE LIABLE FOR ANY SPECIAL, INCIDENTAL, OR CONSEQUENTIAL DAMAGES BASED ON BREACH OF WARRANTY, BREACH OF CONTRACT, NEGLIGENCE, STRICT TORT, OR ANY OTHER LEGAL THEORY. DAMAGES THAT ROHL WILL NOT BE RESPONSIBLE FOR INCLUDE, BUT ARE NOT LIMITED TO: LOSS OF PROFITS; LOSS OF SAVINGS OR REVENUE; LOSS OF USE OF THE PRODUCT OR ANY ASSOCIATED EQUIPMENT; COST OF CAPITAL; COST OF ANY SUBSTITUTE EQUIPMENT, FACILITIES, OR SERVICES; DOWNTIME; THE CLAIMS OF THIRD PARTIES, INCLUDING CUSTOMERS; AND DAMAGES OR INJURY TO PROPERTY.

This warranty gives you specific legal rights and you may also have other rights that vary from state to state.

In addition, the Limited Lifetime Warranty and term Limited Warranties do not apply to the replacement of components where damage is caused by normal wear and tear, including without limitation excess mineral deposits from water. As a special note, avoid all cleaning products that contain abrasives, ammonia, bleach and alcohol. They may damage the finish. Also, use only non-silicone caulking adhesive or plumbers putty for installation. Do not use lead based acidic curing adhesive or mastic when installing product. Silicone caulking may also degrade brass material. The use of Blue RTV silicone during installation will void the product warranty. Due to the harsh environment of sun, wind, rain and snow, installing ROHL products for outdoor use voids the warranty.

General Disclaimer — All warranties other than the express Limited Warranty herein contained, including but not limited to any implied warranty of merchantability or fitness for a particular purpose, are limited in duration to the applicable warranty period set forth above, or the applicable limitations period set by your state, whichever is shorter. Some states do not allow limitations on how long an implied warranty lasts and some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusions may not apply to you.

No Other Warranties — Unless modified in a writing signed by both parties, this agreement is understood to be the complete and exclusive agreement between the parties, superseding all oral or written prior agreements and all other communications between the parties relating to the subject matter of this agreement, including statements made by salespersons. No employee of ROHL or any other party is authorized to make any warranty in addition to those made in this agreement. The buyer is warned, therefore, to check this agreement carefully to see that it correctly reflects those terms that are important to the buyer.

Foreign Outlets Online — One of the benefits of the Internet is that it has granted consumers the opportunity to learn about and purchase products from previously unknown foreign companies. Unfortunately, some foreign distributors who sell the foreign versions of ROHL’s products have promoted these products for shipment to the United States. Though prices may look appealing, these products are not designed to be installed in American homes and significant problems may result. ROHL uses domestic distributors to ensure that its products meet American plumbing installation standards and have American plumbing code approvals. ROHL will not service, warrant, nor provide customer support for product purchased from foreign distributors.

Commercial Limited Warranty — ROHL warrants its products installed in a commercial application to be free from manufacturing defects for a period of one (1) year from the date of acquisition by original owner. IN COMMERCIAL INSTALLATIONS, THE ONE-YEAR LIMITED WARRANTY IS IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.
