NEW ICE MAKERS

CLEAR ICE MAKER FEATURES

- Produces clear, top hat shaped ice, that is free of imperfections and prevents ice from clumping like traditional ice makers
- Produces up to 51 lbs. of ice per day with a storage capacity of 22 lbs. ensures you always have fresh ice for gathering of any size
- Easily disassembled all stainless steel ice making surface allows easy cleaning and ensures fresh ice for the life of the machine
- Available with stainless steel or panel ready doors to match your design style – panel ready doors accept customer-supplied door overlay and handle
- ADA-height compliant models available for accessible and aging in place designs
- UL-Approved for outdoor use
- Easily accessible power switch, quickly turn off machine prior to end of season
- **Factory installed drain pump allows unit to be installed anywhere, regardless of drain location.**

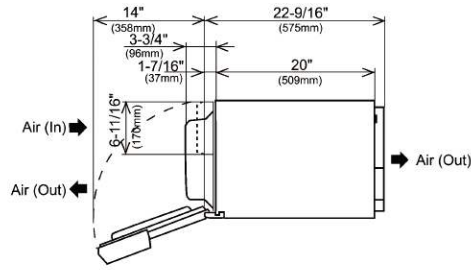

CUBELET ICE MAKER FEATURES

- Produces soft, chewable, nugget-shaped ice that absorbs the flavors of beverages
- Produces up to 80 lbs. of ice per day with a storage capacity of 22 lbs. ensures you always have fresh ice for gatherings of any size
- All stainless steel ice making surface allows easy cleaning and ensures fresh ice for the life of the machine
- Available with stainless steel or panel ready doors to match your design style – panel ready doors accept customer-supplied door overlay and handle
- ADA-height compliant models available for accessible and aging in place designs
- UL-Approved for outdoor use
- Easily accessible power switch, quickly turn off machine prior to end of season
- **Factory installed drain pump allows unit to be installed anywhere, regardless of drain location.**
