U-LINE

U-Line creates products designed for a modern lifestyle - beautiful and functional refrigeration that properly preserves food, beverages, and wine. With a focus on seamless integration and designer preferred features, U-Line speaks to those seeking a refined aesthetic. Featuring the simplest panel installation in the industry with fully integrated adjustable grilles, U-Line is redefining the industry standard on integration. Refrigeration driven by design since 1962.

With roots in American manufacturing that began in 1892, Marvel is the longest standing refrigeration company in North America. Today, Marvel continues to lead the industry with an extensive line of premium undercounter products known for unrivaled craftsmanship, precise performance, and smart design. When you choose Marvel, you're choosing more than a century of handcrafted American-made quality and intelligent engineering.

BrightShield[®]

Antimicrobial
Protection

WHAT IS BRIGHTSHIELD?

This EPA registered patented LED light protects any surfaces the light touches against viruses, bacteria, mold, and mildew.

- Non-UV continuous antimicrobial light technology.
- 90%-99.99%* reduction in surface contamination.
- Approved for continuous use around people, pets, and plants.
- Proprietary technology with: 22 granted patents
35 pending patents

*Testing on a non-enveloped virus (MS2 bacteriophage showed a 97.12% reduction in controlled laboratory testing in 8 hours on hard surfaces. Testing on SARS-CoV-2 (enveloped virus) showed a 98.45% reduction in controlled laboratory testing in 4 hours on hard surfaces). Testing on MRSA and E. coli showed 90%+ reduction in controlled laboratory testing in 24 hours on hard surfaces. Results may vary depending on the amount of light that is reaching the surfaces in the space where the product is installed and the length of time of exposure. Use of Vyv antimicrobial light is not intended to replace manual cleaning and disinfection practices.

Reference this icon throughout the pricebook for available models featuring BrightShield™

HOW IT WORKS

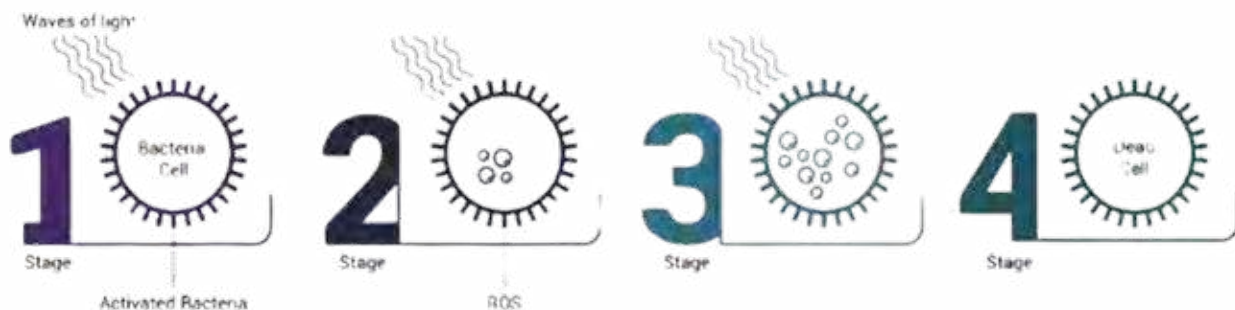

CASTS A SOFT VIOLET GLOW AROUND THE CLOCK

DESTROYS MICROBIAL CELLS FROM THE INSIDE OUT, OVEROXYGENATING THE CELL

KEEPING THE SURFACES IT TOUCHES FREE FROM CONTAMINATION

BUILT IN TO STAND OUT

The New Design Standard

With the simplest panel installation on the market and panel panel-ready adjustable grilles, U-Line is redefining the industry standard on integration.

Designer curated features like the capability to install a seamless toe-kick panel shared with surrounding cabinetry to completely blend your appliance in while allowing space for ventilation, and customizable interiors with slide slide-out bins, wine racks, and shelves allow for the best in functionality and beauty.

U-LINE

Why U-Line?

Made in the USA

Rooted in Milwaukee, Wisconsin, U-Line proudly designs, engineers, and assembles all products in the USA. This commitment ensures superior quality control and supports American craftsmanship.

Innovative Design and Seamless Integration

U-Line offers the best integration package in the industry, featuring appliance options like concealed hinges, solid door and glass door panel-ready designs, and adjustable panel-ready toe-kick accessories. These features allow our appliances to blend seamlessly into your cabinetry, letting your design be the focus of the space.

Advanced Cooling Technology

Our products utilize convection cooling systems that provide quick cool down and consistent temperatures, ensuring your food and beverages are preserved at their optimal conditions. This technology is available across a variety of sizes and finishes, offering high-capacity interiors with solid and glass door options.

Energy Efficiency and Sustainability

U-Line is dedicated to leading the industry in energy efficiency, often years ahead of governmental agency and energy requirement mandates. We work closely with various domestic and global agencies such as DOE and AHAM to establish energy standards, ensuring our products are both environmentally friendly and cost-effective to operate.

Versatility and Customization

Our modular refrigeration products allow you to design your kitchen around your needs, not your refrigerator. With advanced refrigeration systems, large and flexible capacities, and seamless integration capabilities, you can preserve the right product, in the right place, at the right temperature.

KNOW YOUR ICE

Crescent

- Available in a 15" widths and a variety of unique smaller sizes.
- Produces up to 25 lbs of 2 1/4" x 3/4" x 1/2" crescent per day. Stores 25 lbs.
- No drain required for easiest installation.
- Manual defrost.
- Uses less than 3 gallons of water to produce up to 25 lbs of ice.
- Daily production rate is ~4x greater than the average household refrigerator.
- R600a refrigerant – zero ozone depletion potential.
- 1 year warranty (parts & labor), 5 years (sealed system parts). 2nd year available with registration for U-Line models.

Clear

- Available in 15" & 18" widths.
- Produces up to 55 lbs of 7/8" rhomboid shaped cubes per day. Stores 25 lbs.
- Adjustable ice cube fullness. Dimple adjusts from -10 to +10. Factory setting is 0.
- Factory installed 32oz drain pump - pumps less often for industry's quietest operation.
- BrightShield antimicrobial lighting on select models.
- Easy 45 minute clean cycle.
- R600a refrigerant – zero ozone depletion potential.
- 1 year warranty (parts & labor), 5 years (sealed system parts). 2nd year available with registration.

Nugget

- Available in a 15" width.
- Produces up to 65 lbs of 1/2" x 3/8" nugget ice per day. Stores 27 lbs.
- No water filtration required.
- Factory installed 32oz drain pump - pumps less often for industry's quietest operation.
- Quiet operation, unlike the competition.
- Easy 20 minute clean cycle.
- R600a refrigerant – zero ozone depletion potential.
- U-Line indoor model panel-ready only, stainless panel accessory available.
- Bonus 2 year warranty (parts & labor), 5 years (sealed system parts).

Craft Clear

- Industry first high-capacity large clear cube machine. 15" width.
- Produces up to 160 ~2" x 2" x 1 1/4" cubes per day. Stores 25 lbs.
- Factory installed 32oz drain pump - pumps less often for industry's quietest operation.
- BrightShield Antimicrobial LED lighting.
- Easy 45 minute clean cycle.
- R600a refrigerant – zero ozone depletion potential.
- 1 year warranty (parts & labor), 5 years (sealed system parts). 2nd year available with registration.

U-CHILL®

COOL TO THE LAST DROP

Introducing the new U-Chill and U-Chill Plus.
Customize your serving experience like never before.

U-Chill is designed to maintain the temperature of chilled wine, craft beer bomber bottles, carafes, and more. Simply touch to chill and control lighting options.

All new brushed stainless steel crown included - with the option to customize with 4 new accessory crowns that simply snap in place. Design your serving experience.

DESIGNED BY YOU

Add an accessory crown to match your hardware and your style.
Brushed stainless steel standard.
For U-Chill and U-Chill Plus.

STEP UP TO PLUS

In addition to the new U-Chill interchangeable crowns, U-Chill Plus comes with extra temperature modes and dynamic lighting.

U-LINE

U-CHILL / U-CHILL PLUS

U-Chill Features

- Control With Just a Touch
- Brushed Stainless Steel Crown Included
- New Accessory Crowns Available in Polished Stainless, Brushed Brass, Brushed Gunmetal, and Matte Black Finishes
- Powers Off Automatically After 4 Hours
- Color-Flow Setting Cycles Through the Spectrum of Colors
- Installs Into a 6-1/8" Diameter Opening in Countertops From 3/16" to 3" Thick
- Plugs Into Standard 155v / 60Hz Outlet, AC/DC Adapter Included
- Product Width: 6 3/8"
- Product Height: 11 13/16"
- Dry Cooling: Cold Jacket of Air Surrounds Your Beverage
- Optimal Ambient Temperature Range: 50°F - 90°F
- Energy Efficient
- Near-Silent Operation

U-Chill Plus Features

- 27 Different Color Options + Color Gradients
- Red Wine Mode - Keeps Red Wines at Ideal Temperature
- Boost Mode - 30 Minutes of Rapid Chilling

1 Class Series

- Mass premium with competitive price points, features & design, and offer the broadest range of product options.
- 15" and 24" widths.
- Field reversible doors (including lock models).
- Bright white LED lighting on all models.
- 34° to 60° temperature ranges on all models – dairy & wine safe.
- 24" models feature an extended lower interior allowing for 2L sodas, 1.5L magnum wine bottles and 750ML wine bottles.
- Wine units offer ¾ extension, coated racks for easy loading and unloading.
- Dual-pane argon gas filled glass doors reduce harmful UV's and increase efficiency.
- All compressors are mounted with rubber grommets to reduce vibration extending wine storage life and quieter operation.

130 Years of Crafted Excellence

When you choose Marvel Premium Refrigeration, you're choosing 130 years of quality and leading innovation in the luxury refrigeration business. You're choosing carefully designed products and most importantly, you're choosing the best undercounter refrigeration technology available on the market.

As the longest-standing refrigeration company in North America, we are proud to have pioneered numerous advancements that helped shape refrigeration technology into what it is today.

Our decorated past began in 1892 in Greenville, Michigan, a beautiful, tightly-knit community where our manufacturing facility is still based today. Here, we created the first foamed-in-place refrigerator, and the first refrigeration of its kind with sleek stainless steel interiors and glass doors. We were also first to adopt a midnight black interior for wine cellars and beverage centers, now a very popular and practical aesthetic.

Our legacy of quality craftsmanship continues to stand strong throughout the centuries, driving the performance the industry has come to expect from Marvel. The extensive Marvel product offering is world class, a dynamic selection of sophisticated, high-performance wine cellars, beverage centers, indoor and outdoor refrigerators, ice machines and beer dispensers.

WHY MARVEL?

VERSATILE, ADAPTABLE DESIGN

Adjusts to your lifestyle and storage habits

The benchmark for clever design and storage flexibility, Marvel offers a multitude of size options, finishes and shelving configurations for home and outdoor. We maximized our interior volume and added adjustable shelving to quickly adapt the configuration to your particular storage needs. Our 3-in-1 Convertible Shelving gives you up to three storage options within one shelf and our MaxStore Bins offer high capacity, clear-view storage on smooth ball-bearing glides.

COOLING PERFORMANCE

Precise, consistent cooling and rapid cool down

Our distinctive design features a thermal-efficient cabinet and door combined with Dynamic Cooling Technology for superior temperature stability, faster cooling times and speedy temperature recovery. Dynamic Cooling simply means these products contain an exclusive, high efficiency fan that facilitates heat transfer by circulating cold storage compartment air over the evaporator and contents.

SUSTAINABILITY

Designed to protect your contents (and utility bills)

With a wide range of products that meet ENERGY STAR® requirements, Marvel stands above the rest. We thoughtfully design our products to be as energy efficient as possible, without sacrificing cooling power or the features you desire most. By using environmentally friendly R600a refrigerant, and recycling over 1 million pounds of material each year, we are committed to creating a better environment for generations to come.

FIT & FINISH

Quality is measured in the details

Marvel products are designed to blend seamlessly into any design. Whether you love the look of our robust professional products or prefer the sleek design of our classic line, our wide range of appliances offers an aesthetic for everyone. Many of our products are available not only in timeless stainless steel, but also offer a panel-ready finish designed to accept a custom overlay frame or solid panel to match your surrounding cabinetry and hardware. The finishes and finishing touches of our carefully designed products bring a truly luxurious feel to any space.

DESIGNED & BUILT IN AMERICA

The original refrigeration experts since 1892

Marvel products are engineered, built, and inspected against stringent quality standards in the our manufacturing facility based in Greenville, Michigan. We are committed to building a quality product in an environmentally-friendly manner through tightly controlled and closely monitored processes. When you choose Marvel Premium Refrigeration, you're choosing 130 years of handcrafted quality and leading innovation.

Classic Collection

U-LINE AND MARVEL CORPORATION LIMITED WARRANTY

One Year Limited Warranty - U-Line and Marvel Residential Products

For one year from the date of original purchase, this warranty covers all parts and labor to repair or replace any part of the product that proves to be defective in materials or workmanship. For products installed and used for normal residential use, material cosmetic defects are included in this warranty, with coverage limited to 60 days from the date of original purchase. All service provided by U-Line and Marvel under the above warranty must be performed by a U-Line and Marvel factory authorized servicer, unless otherwise specified by U-Line and Marvel. Service provided during normal business hours.

Two Year Limited Warranty (U-Line 5 Class and Marvel Professional Products)

For two years from the date of original purchase, this warranty covers all parts and labor to repair or replace any part of the product that proves to be defective in materials or workmanship. For products installed and used for normal residential use, material cosmetic defects are included in this warranty, with coverage limited to 60 days from the date of original purchase. All service provided by U-Line and Marvel under the above warranty must be performed by a U-Line and Marvel factory authorized servicer, unless otherwise specified by U-Line and Marvel. Service provided during normal business hours.

Available Second (U-Line Products Excluding 5 Class) & Third Year Limited Warranty (U-Line 5 Class and Marvel Professional Products)

In addition to the standard one and two-year warranties outlined above, U-Line and Marvel offers a one-year extension of the warranties from the date of purchase, free of charge. To take advantage of this extension, you must register your product with U-Line or Marvel within 60 days from the date of purchase at u-line.com or marvelrefrigeration.com and provide proof of purchase.

Five Year Sealed System Limited Warranty

For five years from the date of original purchase, U-Line and Marvel will repair or replace the following parts, labor not included, that prove to be defective in materials or workmanship: compressor, condenser, evaporator, drier, and all connecting tubing. All service provided by U-Line and Marvel under the above warranty must be performed by a U-Line and Marvel factory authorized servicer, unless otherwise specified by U-Line and Marvel. Service provided during normal business hours.

Terms

These warranties apply only to products installed in any one of the fifty states of the United States, the District of Columbia, or the ten provinces of Canada. The warranties do not cover any parts or labor to correct any defect caused by negligence, accident or improper use, maintenance, installation, service, repair, acts of God, fire, flood or other natural disasters. The product must be installed, operated, and maintained in accordance with your product's User Guide.

The remedies described above for each warranty are the only ones that U-Line and Marvel will provide, either under these warranties or under any warranty arising by operation of law. U-Line and Marvel will not be responsible for any consequential or incidental damages arising from the breach of these warranties or any other warranty, whether express, implied, or statutory. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you. These warranties give you specific legal rights, and you may also have other rights which vary from state to state.

Any warranty that may be implied in connection with your purchase or use of the product, including any warranty of merchantability or any warranty fit for a particular purpose is limited to the duration of these warranties, and only extends to five years in duration for the parts described in the section related to the five-year limited warranty above. Some states do not allow limitations on how long an implied warranty lasts, so the above limitations may not apply to you.

- The warranties only apply to the original purchaser and are non-transferable.
- The second, third, and five-year warranties cover products installed and used for normal residential or designated marine use only.
- The warranties apply to units operated outside only if designed for outdoor use by model and serial number.
- Marvel non-Professional products are covered by the one year and 5-year limited warranties and are not eligible for the second and third year limited warranties.
- Replacement water filters, light bulbs, and other consumable parts are not covered by these warranties.
- The start of U-Line and Marvel's obligation is limited to four years after the shipment date from U-Line and Marvel.
- In-home instruction on how to use your product is not covered by these warranties.
- Food, beverage, and medicine loss are not covered by these warranties.
- If the product is located in an area where U-Line and Marvel factory authorized service is not available, you may be responsible for a trip charge or you may be required to bring the product to a U-Line and Marvel factory authorized service location at your own cost and expense.
- Units purchased after use as floor displays, and/or certified reconditioned units, are covered by the limited one-year warranty only and no coverage is provided for cosmetic defects.
- Signal issues related to Wi-Fi connectivity are not covered by these warranties.

See complete warranty documents at u-line.com and marvelrefrigeration.com.

PINNACLE SALES GROUP TERMS AND CONDITIONS OF SALE

Orders: All orders and any subsequent change orders must be submitted in writing and delivered to Pinnacle Express, Inc. dba Pinnacle Sales Group by mail, fax or e-mail. No telephone orders will be accepted. Special Order items are Non-Cancellable.

Prices: All prices are subject to change without notice and are exclusive of any sales or use taxes, shipping, delivery, special packaging, or handling charges that may apply to each customer or to each order.

Minimum Advertised Pricing: All sales are subject to Pinnacle Express, Inc. dba Pinnacle Sales Group or Manufacturer minimum advertised prices. Failure to comply with minimum advertised prices will result in cancellation of any agreement and violators will not be entitled to purchase further products.

Minimum Sale Price: All sales are subject to Pinnacle Express, Inc. dba Pinnacle Sales Group or Manufacturer minimum sale prices. Failure to comply with minimum sale prices will result in cancellation of any agreement and violators will not be entitled to purchase further products.

Freight and Handling: Pinnacle Express, Inc. dba Pinnacle Sales Group reserves the right to ship products by its choice of carrier. All shipments are F.O.B. from place of shipment, and risk of loss shall pass to the Buyer upon delivery to the carrier at the point of shipment. Additional charges may apply for special handling and packaging.

Deliveries: Pinnacle Express, Inc. dba Pinnacle Sales Group shall not be liable for failure to deliver or for delays in delivery or performance due to: (1) causes beyond its reasonable control; (2) acts of God, acts of Buyer, acts of civil or military authority, governmental allocations or controls, fires, strikes or other labor difficulties, riots or other civil disturbances, delays in its usual source of supply, delays in transportation; (3) any other commercial impracticability. In the event of such delay, the date of delivery or performance shall be extended for a period equal to the time lost by reason of the delay.

Claims: All claims for non-conforming delivery of Products must be made within thirty (30) days of receipt of shipment.

Damage or Loss: Any claim for damage or loss in shipment should be made to the carrier immediately by the customer. Products become the responsibility of the Buyer when accepted by the carrier in good condition from Pinnacle Express, Inc. dba Pinnacle Sales Group and we are not able to process shipping damage claims.

Returns: Only Items marked in this Price List as "Stock Item" are subject to return. All other items are considered Special Order Items and are NOT RETURNABLE. No Products may be returned without a Pinnacle Express, Inc. dba Pinnacle Sales Group Return Goods Authorization (RGA) Number issued prior to the return of Product. Any product returned without an RGA will be refused and returned to the sender. RGA's are valid for thirty (30) days only. All returns are subject to inspection before being approved for credit - products must be in salable condition to be considered for return or replacement. A 20% restocking charge will apply to all returns.

Payment: Unless otherwise noted, payment terms are Net Due on Receipt. Balances owed on invoices over 30 days old are subject to a 1.5% per month charge. Payments made by a credit card are subject to a 2% processing fee. Each shipment or delivery shall be deemed to have been sold under a separate and or independent contract and payment thereof shall be made in accordance with the terms of this agreement and of the invoice rendered by Pinnacle Express, Inc. dba Pinnacle Sales Group Buyer agrees that title to the personal property described herein shall not vest in Buyer until paid in full. In the event of insolvency or the filing of bankruptcy by the Buyer, Buyer agrees to return all merchandise to Pinnacle Express, Inc. dba Pinnacle Sales Group

Warranties: Products distributed by Pinnacle Express, Inc. dba Pinnacle Sales Group are the products of reputable manufacturers sold under their respective brand or trade names. Pinnacle Express, Inc. dba Pinnacle Sales Group shall use its best efforts to obtain from each manufacturer, in accordance with the manufacturer's warranty or customary practice, the repair or replacement of products that may prove defective in material or workmanship. The foregoing shall constitute the exclusive remedy of the Buyer and the sole obligation of Pinnacle Express, Inc. dba Pinnacle Sales Group Except as to Title, THERE ARE NO WARRANTIES, EITHER WRITTEN, ORAL, IMPLIED, OR STATUTORY relating to the described products which shall extend beyond that described in this paragraph. NO WARRANTY OF MERCHANTABILITY OR OF FITNESS FOR PURPOSE SHALL APPLY.

Limitation of Liability: Pinnacle Express, Inc. dba Pinnacle Sales Group's liability on any claims for loss or damage arising out of this contract or from the performance or breach thereof or connected with the supplying of products hereunder, or its sale, resale, operation or use, whether based on warranty, contract, negligence or other grounds shall not exceed the price allowable for such products or parts thereof involved in the claim. Pinnacle Express, Inc. dba Pinnacle Sales Group shall not, under any circumstances, be liable for any labor charges unless agreed upon in advance and in writing by Pinnacle Express, Inc. dba Pinnacle Sales Group and the manufacturer of the products involved. Pinnacle Express, Inc. dba Pinnacle Sales Group shall not in any event be liable for special or consequential damages, including, but not limited to, loss of profits or revenue, loss of use of the product or any associated product, cost of capital, cost of substitute products, facilities or services, downtime costs, or claims of customers of the Buyer for such damages.

General: The possession of this Price List by anyone is not to be considered as an offer to sell any of the Products contained herein. This Price List supercedes all previous price lists or memorandums. Pinnacle Express, Inc. dba Pinnacle Sales Group's existing Trade Terms and Conditions remain in effect. The above Terms and Conditions shall be a part of all Orders accepted by Pinnacle Express, Inc. dba Pinnacle Sales Group and shall supercede any conflicting provisions of our customer's purchase orders. These terms and conditions are subject to change without notice.
